Part III.

- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Dr. King stated that "911 Stress Control 2 oz Liquid (Trademark)" manufactured by King Bio Natural Medicine, Inc. has been publically available since March 1990. Dr. King further stated that the product was originally available as "Rescue 911" but contained the same ingredients as "911 Stress Control 2 oz Liquid (Trademark)". Dr. King agreed that the Examiner could use this interview as testimony that the aforementioned product has been publically available and for sale since 3/1990.
